All grades dismiss at 12:40 pm on Thursdays.

*** Grade 1 dismisses at 2:15 pm with an optional afterschool recess from 2:15 - 3:20 pm included in tuition.**

Enrollment Deposit is refundable, less any outstanding amount due the school, upon completion of the 2012/13 school year for non-returning families who notify any member of the administrative staff prior to **April 1, 2013** in writing of their intent to withdraw their child(ren). Failure to do so renders the Enrollment Deposit non-refundable. The Enrollment Deposit is non-refundable should the student not enter in September 2012 or should s/he be withdrawn or dismissed prior to the normal completion of the 2012/13 school year. Enrollment Deposits for continuing students will be applied to the 2013/14 school year.

Materials Fee is non-refundable and is due by **July 1, 2012** or the date of enrollment (with the Enrollment Deposit), whichever is later. Payment of this non-refundable Materials Fee covers the special, high quality materials used in art, music and general lessons.

Additional Fees may arise, at parent expense, if a teacher recommends tutoring, external consultations, or special services which the school does not provide. Other expenses could include yearly class trips, which vary from class to class and from year to year, musical instrument purchase or rental and music lessons, or fees that arise from late charges or after school attendance. Please see the Education Contract for the approximate costs of class activities not included in regular fee payments.

Tuition Assistance is available based on assessment of the family's financial need, demonstrated commitment to Waldorf education and the availability of funds. New applicants to the school will be considered for Tuition Assistance only after the child is accepted. Tuition Assistance is available for all grades including Pre-K/Kindergarten. The one-payment and two-payment discounts are not offered for those families receiving Tuition Assistance.

PLEASE NOTE: ALL SHEPHERD VALLEY FEES ARE NON-REFUNDABLE
