

Announcing: Extra-Curricular

German Class

Starting This Week!

- When:** Thursdays, 1:15-2:15 pm
12 weeks starting this Thursday!
- Where:** In the empty classroom by the 3rd grade
- Teacher:** Pia Zeller! She was the German teacher for Shepherd Valley years ago for one year, then she left to have children. Last year, she substituted for the regular German teacher at Shining Mountain, and she has also conducted a similar mixed-grades after school German program at Bixby. Pia has a master's degree in teaching German as well as Waldorf teaching experience. She is a native speaker from Switzerland.
- Curriculum:** Interactive fun-based program: songs, games, stories, rhymes, etc. No explicit grammar instruction.
- Who's Invited:** Most of the class we have so far is in 2nd and 3rd grade. We may accept younger students on a case by case basis, if it seems like a good fit. Older students are welcome to join the group IF they really want to be there (e.g. if they like being "teacher's helper" or they have fun interacting with younger children or they just really love German.)
- Cost:** \$120 per student. Please be ready to pay Pia at the first session.
- Other details:** We would like to let the children play outside for about 10 minutes and then go into the classroom for lunch at about 12:55 or so. We will need to follow normal school pickup rules, which means that an authorized adult must be on hand to pick up your child and shepherd him or her to the German class. (Pick-up duty can be shared amongst the parents so long as the person responsible to pick up your child is authorized on the form in the office.) If you cannot be there to pick up your child at 2:15, arrangements can be made to transfer your child to aftercare.
- All parents are welcome during the lunchtime. One parent will be present during the class, other parents may wait elsewhere.
